# Steps To Be Followed

# Generate Patient UID

The screenshot shows the COVHarA web application interface. On the left is a sidebar menu with the following items: Dashboard, OPTIONS, Doctor, Configurations, Patient (selected), and a sub-menu under Patient including Diagnosis & Prescription, Diagnosis & Prescription List, and V2 Generate Patient UID. The main content area is titled "District Administration of Gurugram" and features a form with a "Number of Form" dropdown menu (showing options 5, 10, 50, 75, 100, 200, 500) and a "Submit" button. Below the form is a label "Total number ur".

Patient Menu-> V2 Generate Patient UID  
Select how many ID(s) to be generated  
Click Submit.

These generated ID(s) will be assigned to  
the doctor.  
Single Prescription template for each  
patient should be used.
